

## Ohio Administrative Code

### Rule 3701:1-58-13 Radiation protection program changes.

Effective: August 15, 2005

---

(A) A licensee may revise its radiation protection program without the director's approval if:

(1) The revision does not require a license amendment under rule 3701:1-58-08 of the Administrative Code;

(2) The revision is in compliance with the regulations and the license;

(3) The revision has been reviewed and approved by the radiation safety officer and licensee management; and

(4) The affected individuals are instructed on the revised program before the changes are implemented.

(B) A licensee shall retain a record of each change in accordance with rule 3701:1-58-74 of the Administrative Code.
