(2) The facility's retail food establishment sales volume is greater than its food service operation sales volume, in which case its primary business is a retail food establishment.

(3) When sales volume information does not exist, the licensor shall determine the primary business in consultation with the person or government entity based on the anticipated sales volume.

(C) If the licensors of a food service operation and a retail food establishment are not the same, the licensors shall jointly determine the primary business in consultation with the person or government entity.
