

Ohio Administrative Code

Rule 3745-104-52 Permit content and air permitting authority or designated agency requirements.

Effective: August 5, 2021

[Comment: For dates of non-regulatory government publications, publications of recognized organizations and associations, federal rules, and federal statutory provisions referenced in this rule, see paragraph (C) of rule 3745-104-01 of the Administrative Code titled "Referenced materials."]

(A) These requirements apply to any stationary source subject to this chapter and Chapter 3745-77 of the Administrative Code or 40 CFR Part 71. The Title V or 40 CFR Part 71 permit for the stationary source shall contain the following:

(1) A statement listing this chapter as an applicable requirement.

(2) Conditions that require the source owner or operator to submit one of the following:

(a) A compliance schedule for meeting the requirements of this part by the date provided in rule 3745-104-05 of the Administrative Code.

(b) As part of the compliance certification submitted under paragraph (C)(10)(e) of rule 3745-77-03 of the Administrative Code, a certification statement that the source is in compliance with all requirements of this chapter, including the registration and submission of the RMP.

(B) The owner or operator shall submit any additional relevant information requested by Ohio EPA.

(C) For Title V or 40 CFR Part 71 permits that are issued prior to the deadline for registering and submitting the RMP and that do not contain permit conditions described in paragraph (A) of this rule, the owner or operator or the director shall initiate permit revision or reopening according to the procedures of rule 3745-77-08 of the Administrative Code or 40 CFR 71.7 to incorporate the terms and conditions consistent with paragraph (A) of this rule.
