

Ohio Administrative Code

Rule 3745-267-73 Information - manifest system, recordkeeping, reporting, and notifying - standardized permitting.

Effective: [March 7, 2025](#)

- (A) The owner or operator shall keep a written operating record at the facility.
- (B) The owner or operator shall record the information required by this paragraph, as the information becomes available, and maintain the information in the operating record until the facility closes:
- (1) A description and the quantity of each type of hazardous waste generated, and the methods and dates of the hazardous waste's storage and treatment at the facility, as required by the appendix to rule 3745-54-73 of the Administrative Code;
 - (2) The location of each hazardous waste within the facility and the quantity at each location;
 - (3) Records and results of waste analyses and waste determination the owner or operator performs as specified in rules 3745-205-34, 3745-205-63, 3745-205-83, 3745-267-13, 3745-267-17, and 3745-270-07 of the Administrative Code;
 - (4) Summary reports and details of all incidents that require the owner or operator to implement the contingency plan as specified in paragraph (B) of rule 3745-267-58 of the Administrative Code;
 - (5) Records and results of inspections as required by paragraph (D) of rule 3745-267-15 of the Administrative Code;
 - (6) Monitoring, testing or analytical data, and corrective action when required by paragraphs (C) to (F) of rule 3745-205-34, rule 3745-205-35, paragraphs (D) to (I) of rule 3745-205-63, rules 3745-205-64, 3745-205-88, 3745-205-89, 3745-205-90, 3745-267-90 to 3745-267-101, 3745-267-191, 3745-267-193, and 3745-267-195 of the Administrative Code;
 - (7) All closure cost estimates under rule 3745-267-142 of the Administrative Code;

- (8) The owner or operator's certification, at least annually, that the owner or operator has a program in place to reduce the volume and toxicity of hazardous waste that is generated, to the degree that the owner or operator determines to be economically practicable, and that the proposed method of treatment or storage is that practicable method currently available that minimizes the present and future threat to human health and the environment;
- (9) For an on-site treatment facility, the information contained in the notice (except the manifest number), and the certification and demonstration, if applicable, required under rule 3745-270-07 of the Administrative Code;
- (10) For an on-site storage storage facility, the information in the notice (except the manifest number), and the certification and demonstration, if applicable, required under rule 3745-270-07 of the Administrative Code;
- (11) For an off-site treatment facility, a copy of the notice, and the certification and demonstration, if applicable, required by the generator or the owner or operator under rule 3745-270-07 of the Administrative Code; and
- (12) For an off-site storage facility, a copy of the notice, and the certification and demonstration, if applicable, required by the generator or owner or operator under rule 3745-270-07 of the Administrative Code.
