

Ohio Administrative Code

Rule 3745-279-80 Applicability of standards for use of used oil as a dust suppressant and disposal of used oil.

Effective: October 20, 1998

The requirements of rules 3745-279-80 to 3745-279-82 of the Administrative Code apply to all used oils that cannot be recycled and are therefore being disposed.
