

Ohio Administrative Code Rule 3745-37-10 Time for inspections.

Effective: September 30, 1996

Whenever a person requests in writing that the health commissioner or the director or his authorized representative make any inspection required by Chapters 3745-27, 3745-400, and 3745-37 of the Administrative Code, the health commissioner or the director or his authorized representative shall make such inspection within fifteen calendar days of receipt of the request.
