

Ohio Administrative Code

Rule 3745-400-04 Authorized, limited, and prohibited construction and demolition debris disposal methods.

Effective: November 7, 2024

(A) Construction and demolition debris shall be disposed of only by the following methods or combination thereof:

(1) Disposal in a licensed construction and demolition debris facility.

(2) Disposal in a solid waste disposal facility, as defined in rule 3745-27-01 of the Administrative Code and licensed in accordance with Chapter 3745-501 of the Administrative Code.

(3) Disposal by means of open burning, as defined in Chapter 3745-19 of the Administrative Code, if permitted as provided therein.

(4) Other methods not prohibited by this chapter, provided that such methods are demonstrated to the satisfaction of the licensing authority to be capable of disposing of construction and demolition debris without creating a nuisance or a health hazard, without causing water pollution, and without violating these regulations and any regulation adopted by the director pursuant to Chapters 3704., 3734., and 6111. of the Revised Code.

(B) No exemption issued under Chapter 3714. of the Revised Code or rules adopted thereunder allows the exemption of any person from compliance with any section of the Revised Code other than as specified in section 3714.04 of the Revised Code or any regulation adopted thereunder, or any regulation of any federal agency, or of any department of the state government, including the Ohio department of health, the Ohio department of natural resources and the Ohio environmental protection agency.
