

## Ohio Administrative Code Rule 3745-50-506 Draft permits.

Effective: [March 7, 2025](#)

---

(A) Upon receipt of a complete application, the director shall decide whether to prepare a draft permit or issue a notice of intent to deny the permit application for "Class 3" modifications, new facility permits, or renewal permits.

(B) [Reserved.]

(C) If the director tentatively decides to deny a new facility permit application, "Class 3" modification application, or renewal application, the director shall issue a notice of intent to deny. A notice of intent to deny the new facility or renewal permit application or the "Class 3" modification application is a type of draft permit which follows the same procedures as any draft permit prepared under this rule. If the director subsequently decides that the tentative decision to deny the new facility or renewal permit application or the "Class 3" modification application was incorrect, the director shall withdraw the notice of intent to deny and prepare a draft permit under paragraph (D) of this rule.

(D) If the director decides to prepare a draft permit, the director shall prepare a draft permit that contains the following information, as applicable:

(1) All conditions under rule 3745-50-58 of the Administrative Code, and the applicable provisions in rule 3745-50-40 of the Administrative Code.

(2) All compliance schedules under rule 3745-50-50 of the Administrative Code.

(3) All monitoring requirements under rule 3745-50-48 of the Administrative Code.

(4) Standards for treatment, storage, or disposal and other permit conditions under rule 3745-50-58 of the Administrative Code.
