

## Ohio Administrative Code

### Rule 3745-52-202 Use of the university lab rules is an option.

Effective: [October 5, 2020](#)

---

(A) Large quantity generators and small quantity generators. Eligible academic entities have the option of complying with rules 3745-52-200 to 3745-52-216 of the Administrative Code with respect to the eligible academic entity's laboratories, as an alternative to complying with rules 3745-52-11 and 3745-52-15 of the Administrative Code.

(B) Very small quantity generators. Eligible academic entities have the option of complying with rules 3745-52-200 to 3745-52-216 of the Administrative Code with respect to the eligible academic entity's laboratories, as an alternative to complying with the conditional exemption of rule 3745-52-14 of the Administrative Code.
