

## Ohio Administrative Code

### Rule 3745-52-211 Making the hazardous waste determination at an on-site central accumulation area.

Effective: October 5, 2020

---

If an eligible academic entity makes the hazardous waste determination, pursuant to rule 3745-52-11 of the Administrative Code, for unwanted material at an on-site central accumulation area, the eligible academic entity shall comply with the following:

(A) A trained professional shall accompany all unwanted material that is transferred from the laboratories to an on-site central accumulation area.

(B) All unwanted material removed from the laboratories shall be taken directly from the laboratories to the on-site central accumulation area.

(C) The unwanted material becomes subject to the generator accumulation requirements of rule 3745-52-16 of the Administrative Code for small quantity generators, or rule 3745-52-17 of the Administrative Code for large quantity generators, as soon as the unwanted material arrives in the central accumulation area, except for the "hazardous waste" labeling conditions of paragraph (B)(6) of rule 3745-52-16 and paragraph (A)(5) of rule 3745-52-17 of the Administrative Code.

(D) A trained professional shall determine, pursuant to paragraphs (A) to (D) of rule 3745-52-11 of the Administrative Code, if the unwanted material is a hazardous waste within four calendar days after the unwanted material arrives at the on-site central accumulation area.

(E) If the unwanted material is a hazardous waste, the eligible academic entity shall do the following:

(1) Write the words "hazardous waste" on the container label that is affixed or attached to the container, within four calendar days after the container arrives at the on-site central accumulation area and before the hazardous waste may be removed from the on-site central accumulation area.

(2) Write the appropriate EPA hazardous waste numbers on the container label that is associated with

the container (or on the label that is affixed or attached to the container, if that is preferred) before the hazardous waste may be treated or disposed of on-site or transported off-site.

(3) Count the hazardous waste toward the eligible academic entity's generator category, pursuant to rule 3745-52-13 of the Administrative Code in the calendar month that the hazardous waste determination was made.

(4) Manage the hazardous waste according to all applicable hazardous waste rules.
