

Ohio Administrative Code

Rule 3745-55-70 Applicability - use and management of containers.

Effective: June 12, 2023

Rules 3745-55-70 to 3745-55-79 of the Administrative Code apply to owners and operators of all hazardous waste facilities that store hazardous waste in containers, except as rule 3745-54-01 of the Administrative Code provides otherwise.

[Comment: Under rule 3745-51-07 of the Administrative Code and paragraph (C) of rule 3745-51-33 of the Administrative Code, if a hazardous waste is emptied from a container the residue remaining in the container is not considered a hazardous waste if the container is "empty" as defined in rule 3745-51-07 of the Administrative Code. In that event, management of the container is exempt from rules 3745-55-70 to 3745-55-79 of the Administrative Code.]
