

## Ohio Administrative Code

### Rule 3745-560-401 Criteria for approval of a class IV composting facility registration.

Effective: October 1, 2018

---

A class IV composting facility shall not be considered registered unless compliance with the following are determined by Ohio EPA:

- (A) The registration application contains the information required in forms prescribed by the director as established in rule 3745-560-400 of the Administrative Code.
- (B) The siting criteria as established in rule 3745-560-400 of the Administrative Code have been met.
- (C) The plan view drawing contains the information required in rule 3745-560-400 of the Administrative Code.
- (D) The letters of intent were sent in accordance with rule 3745-560-400 of the Administrative Code.
- (E) If the proposed composting facility is established on land where a hazardous or solid waste facility was operated, the owner or operator has obtained previous authorization as required by rule 3745-27-13 of the Administrative Code.
- (F) The owner or operator is in substantial compliance at other solid waste disposal facilities that are owned or operated by the owner or operator.
- (G) The establishment and operation of the composting facility will not violate Chapter 3704., 3734., or 6111. of the Revised Code.
- (H) If Ohio EPA determines that information in addition to that required by rule 3745-560-400 of the Administrative Code is necessary to determine whether the criteria set forth in paragraph (A) of this rule are satisfied, Ohio EPA may require that the applicant supply such information as a

precondition to further consideration of the registration application.
