

Ohio Administrative Code

Rule 3745-580-600 Requirements for a scrap tire monocell facility.

Effective: June 30, 2023

(A) An owner or operator of the following facilities may establish a scrap tire monocell facility within the limits of waste placement of the facility previously delineated in the applicable authorizing documents or as proposed in an application for a permit to install:

(1) A solid waste landfill subject to Chapter 3745-27 of the Administrative Code.

(2) An industrial landfill facility subject to Chapter 3745-30 of the Administrative Code provided the scrap tires to be received at the facility are "industrial or manufacturing waste" as defined in rule 3745-30-01 of the Administrative Code.

(B) Permit to install. The owner or operator shall submit an application for a permit to install as specified in section 3734.77 of the Revised Code for approval by the director prior to the establishment or modification of a scrap tire monocell facility in accordance with the following:

(1) For a scrap tire monocell facility located in a solid waste landfill, Chapter 3745-27 of the Administrative Code.

(2) For a scrap tire monocell facility located in an industrial landfill facility, Chapter 3745-30 of the Administrative Code.

(C) Other requirements. The owner or operator of a scrap tire monocell facility shall establish and fund financial assurance, operate, conduct closure, and conduct post-closure care in accordance with Chapter 3745-27 or 3745-30, as applicable, except as follows:

(1) The owner or operator may comply with the operational specifications contained in paragraphs (D) to (F) of rule 3745-580-710 of the Administrative Code in lieu of compliance with the equivalent provisions contained in rule 3745-27-19 or 3745-30-14 of the Administrative Code, as applicable.

(2) The owner or operator is subject to the annual operational report and annual facility report specifications contained in rule 3745-580-715 of the Administrative Code.

(D) License. The scrap tire monocell facility license shall be renewed annually by the owner or operator pursuant to Chapter 3745-501 of the Administrative Code.
