

Ohio Administrative Code

Rule 3745-580-800 Specifications for beneficial use of scrap tires.

Effective: June 30, 2023

(A) Except as specified in rule 3745-580-805 of the Administrative Code, no person shall beneficially use scrap tires unless the person is authorized in accordance with rule 3745-580-801 or rule 3745-580-802 of the Administrative Code. Failure to obtain authorization prior to use of the scrap tires may constitute open dumping.

(B) No person shall beneficially use scrap tires at a property unless one of the following requirements are met:

(1) The person is the owner of the property.

(2) The person has received written authorization from the property owner to beneficially use scrap tires on the property.
