

Ohio Administrative Code Rule 3745-65-32 Required equipment.

Effective: January 7, 1983

All facilities shall be equipped with the following, unless none of the hazards posed by waste handled at the facility could require a particular kind of equipment specified below:

- (A) An internal communications or alarm system capable of providing immediate emergency instruction (voice or signal) to facility personnel;
 - (B) A device, such as a telephone (immediately available at the scene of operations) or a hand-held two-way radio, capable of summoning emergency assistance from local police departments, fire departments, or local or Ohio EPA emergency response teams;
 - (C) Portable fire extinguishers, fire control equipment (including, but not limited to, special extinguishing equipment, such as that using foam, inert gas, or dry chemicals), spill control equipment, and decontamination equipment; and
 - (D) Water at adequate volume and pressure to supply water hose streams, or foam producing equipment, or automatic sprinklers, or water spray systems.
