

Ohio Administrative Code

Rule 3745-65-34 Access to communications or alarm system.

Effective: January 7, 1983

(A) Whenever hazardous waste is being poured, mixed, spread, or otherwise handled, all personnel involved in the operation shall have immediate access to an internal alarm or emergency communication device, either directly or through visual or voice contact with another employee, unless such a device is not required under rule 3745-65-32 of the Administrative Code.

(B) If there is only one employee on the premises while the facility is operating, such employee shall have immediate access to a device, such as a telephone, which is immediately available at the scene of operation, or a hand-held two-way radio, capable of summoning external emergency assistance, unless such a device is not required under rule 3745-65-32 of the Administrative Code.
