

Ohio Administrative Code Rule 3745-79-01 Definitions.

Effective: February 4, 2022

[Comment: For dates of non-regulatory government publications, publications of recognized organizations and associations, federal rules, and federal statutory provisions referenced in this rule, see paragraph (D) of this rule titled "Referenced materials."]

(A) Except as otherwise provided in this rule, the definitions in rule 3745-15-01 of the Administrative Code apply to this chapter.

(B) "Small business stationary source" means any building, structure, facility, or installation that emits any federally regulated air pollutant and is owned or operated by a person who employs one hundred or fewer individuals; is a small business concern as defined in the Small Business Act; is not a major stationary source as defined in paragraph (j) of Section 302 of the Clean Air Act; does not emit fifty tons or more per year of any federally regulated air pollutant or any hazardous air pollutant, and emits less than seventy-five tons per year of all federally regulated air pollutants. For the purposes of this definition, the number of individuals employed will be based upon a full-time equivalent employee calculation. Total annual hours worked by all employees, including contract employees, divided by two thousand, will equal the number of individuals employed by the owner or operator of a source.

(C) "Small business technical and environmental compliance assistance program" means the program established pursuant to section 3704.18 of the Revised Code.

(D) Referenced materials. This chapter includes references to certain matter or materials. The text of the referenced materials is not included in the rules contained in this chapter. Information on the availability of the referenced materials as well as the date of, and the particular edition or version of the material is included in this rule.
