

Ohio Administrative Code Rule 3745-87-04 Evaluation criteria.

Effective: November 8, 2018

- (A) The written description of the asset management program and all supporting documents shall be available for inspections by representatives of the director.
- (B) The director may request a public water system to submit a written description of the public water system's asset management program. The public water system shall submit the written description within thirty days of the request.
- (C) If a public water system's written description of the asset management program does not comply with the requirements of this chapter, the director may require the owner or operator to revise and resubmit the written description of the asset management program.
- (D) The director may only grant acceptance of the asset management program at the time of review if the program meets the requirements set forth in this chapter.
-
