

## Ohio Administrative Code

### Rule 3745-91-05 Requirements for data sheet.

Effective: August 12, 2023

---

The data sheet shall be on a form provided by the director and include information such as the title of the project, project location, identification of the ultimate owner, identification of the designer, estimated construction cost, basis of design, and such other information as required. Additional information may be required depending upon the type and complexity of the project under review.
