

Ohio Administrative Code Rule 3769-15-11 Identification of horse.

Effective: May 17, 2021

(A) When a horse is entered, it must be clearly identified by statement of its name, age, color, and sex, the names of its sire and dam;

(B) Any alteration in the sex of a horse must be reported and noted by the trainer to the racing secretary;

(C) Fillies and mares that have been bred shall be reported to the racing secretary as having been bred prior to being entered in a race. The secretary shall post on the bulletin board in the paddock the names of all fillies and mares that have been bred and to what stallion or stallions;

(D) A mare that has been bred shall not be eligible to be entered in a claiming race unless the stallion mating certificate is attached to the registration certificate or released in a computerized system approved by the commission showing the fee for the stallion service has been satisfied and that the successful claimant will not be responsible for the stallion fee.
