

Ohio Administrative Code Rule 3769-16-28 Starting without gate.

Effective: January 1, 1985

(A) When horses are started without a gate the starter shall have control of the horses from the formation of the parade until he gives the word "go." He shall be located at the wire or other point of start of the race at which point as nearly as possible the word "go" shall be given. No driver shall cause unnecessary delay after the horses are called. After two preliminary warming-up scores, the starter shall notify the drivers to form in parade.

(B) The driver of any horse refusing or failing to follow the instructions of the starter as to the parade or scoring ahead of the pole horse may be set down for the heat in which the offense occurs, or for such other period as the starter shall determine, and may be fined. Whenever a driver is taken down, the substitute shall be permitted to score the horse once. A horse delaying the race may be started regardless of his position or gait and there shall not be a recall because of a bad actor. If the word "go" is not given, all the horses in the race shall immediately turn on signal, and jog back to their parade positions for a fresh start. There shall be no recall after the starting word has been given.
