

Ohio Administrative Code Rule 3769-17-28 Horse falls on track.

Effective: October 5, 2006

Should any horse in a race fall or get loose on the track or be involved in an accident of any kind after starting to warm-up, that horse shall only be permitted to start after examination and approval by the track veterinarian. Should any horse fall or get loose during the post parade or during the time elapsed before the word "go" is given, that horse shall only be permitted to start after examination by the track veterinarian and approval by the judges. If the horse is scratched, all wagers on that horse will be refunded.
