

Ohio Administrative Code Rule 3769-3-10 Incorrect payments.

Effective: May 21, 1990

(A) If an error is made in calculating the price of a correct ticket combination or in calculating an incorrect ticket combination which results in an overpayment, any such overpayments made shall be deemed final and the recipients entitled to retain the overpayment. If the error is discovered before all such incorrect transactions are completed, the error may be corrected, accompanied by a public announcement, and only the correct tickets and/or prices paid thereafter.

(B) In the event of an error in calculations which results in an underpayment and payments have already been made, the amount of such underpayment shall be promptly ascertained and confirmed by a commission representative. Upon such confirmation, the underpayment shall be transferred to the next corresponding pool on the same day's racing program. In the event the amount of the underpayment cannot be ascertained and confirmed before the conclusion of the day's racing program, the underpayment shall be escrowed by the permit holder and distributed in the next corresponding pool on the daily program run next. Any and all underpayments shall be promptly and fully reported to the commission. Any underpayment not distributed or undistributable prior to the end of the meet shall be held in trust and transferred into the next corresponding pool of the next meeting of the permit holder in question.
