

Ohio Administrative Code Rule 3769-4-49 Horseshoe inspector.

Effective: January 1, 1985

A qualified horseshoe inspector employed by the permit holder shall be in attendance in the paddock to examine the plating of each horse in each race to see that all horses are properly shod and make such changes as may be required. He shall report his findings to the paddock judge for transmission to the stewards. Bar plates may be used with the consent of the stewards. A horse shall not start in a race if not properly shod.
