

Ohio Administrative Code Rule 3769-5-24 Mutuel entry.

Effective: January 1, 1985

Not more than two horses of the same ownership and/or in charge of the same trainer may be entered for a purse race, and both may start as a mutuel entry. The horses may also be entered so that each horse will appear in a separate division if the race subsequently be divided, but such notation must appear on the entry blank.
