

Ohio Administrative Code

Rule 3769-5-26 List jockey.

Effective: February 1, 2011

(A) Every owner or trainer or authorized agent or jockey agent shall, if possible, upon making entry, furnish the name of the jockey who will ride his horse, but if this is not possible, the name must be furnished at a time designated by the stewards. At time of entry the owner or trainer or authorized agent or jockey agent shall report the equipment, or change of, his/her horse will carry. Such report shall include information with respect to whip, blinkers, weight, etc.

(B) If an owner or trainer or authorized agent does not name a jockey for his entered horse by the time designated by the stewards, the stewards shall select and name a competent jockey to ride that horse.
