

Ohio Administrative Code Rule 3769-5-35 Approval of entries.

Effective: July 2, 1992

(A) No entry shall be accepted for any horse not stabled on the grounds of the permit holder unless its stabling elsewhere has been approved by the permit holder.

(B) Entries can be taken from commercial tracks and private and public stabling facilities approved by the permit holder.

(C) All horses shipping in to race must be at the track where they are to race at a time designated by the permit holder. At no time shall the designated arrival time for horses shipping in to race be less than two hours prior to post time of the race in which the horse is scheduled to participate.

Whenever a horse shipping in to race arrives at the track, it will be made available for examination by the track veterinarian.

In the event of any unavoidable delay, as determined by the stewards, the stewards may determine a reasonable grace period.
