

## Ohio Administrative Code Rule 3769-9-05 Whip restrictions.

Effective: January 1, 1985

---

No whip shall be carried on any two-year old in a race on the straightaway until June first, and no whip shall be carried on any horse in any race when making a first start unless its use has been approved by the stewards. Thereafter, the decision as to when a horse is running true enough to permit the use of a whip shall be left to the discretion of the stewards.
