

Ohio Administrative Code Rule 3769-9-06 Must qualify.

Effective: January 1, 1985

(A) All horses which have not raced at a recognized meeting within the six months next prior to any race in which said horse is sought to be entered shall be required to qualify in at least two trial races. All such horses must meet a qualifying time to be eligible for entry to race. At least two qualifying times will be set, one for two-year olds, and one for older horses by the stewards.

(B) The stewards for any reason may require a horse to run additional trial races.
