

Ohio Administrative Code Rule 3770-2-01 Persons eligible; application.

Effective: December 25, 2014

(A) Any person may apply for a sales agent license. Application shall be made in a format approved by the director for this purpose.

(B) Upon receiving a proper and complete application, the director shall determine if the applicant meets the requirements of the Lottery Act and the commission's rules, and the standards of the director provided in these regulations. The director may issue the applicant a license on such terms and conditions deemed appropriate, consistent with the Lottery Act, the rules of the commission and these regulations. If the director denies an application, the applicant shall be promptly informed of the decision.
