

Ohio Administrative Code

Rule 3770:2-3-11 Video lottery licenses - stolen, destroyed and/or compromised video lottery tickets or games.

Effective: August 30, 2018

Incidents of tampering with, impairment or compromise of the integrity or security of video lottery terminals, video lottery games, video lottery results, credit vouchers or other records, files, documents or equipment relating to video lottery, require a video lottery sales agent to notify the director within a reasonable time after detection. Any employee of a video lottery sales agent with knowledge of such incident, shall notify the sales agent of such incident within a reasonable time after detection, so that the sales agent can notify the director.
