

Ohio Administrative Code

Rule 3770:2-6-01 Video lottery operations; hours of operation and number and type of video lottery terminals.

Effective: [March 30, 2012](#)

(A) Video lottery sales agents shall make their licensed facilities available for video lottery twenty-four hours per day, seven days per week, unless otherwise approved by the director.

(B) A determination regarding the number of video lottery terminals that shall be located at and operational at the licensed facility shall involve discussions between the video lottery sales agent and the director. Unless otherwise approved by the director, no video lottery sales agent shall have more than two thousand five hundred video lottery terminals operational at the licensed facility.

(C) The director may require that video lottery sales agent not acquire from the same video lottery terminal provider more than a certain percentage of video lottery terminals. Any requirement regarding the maximum percentage of video lottery terminals that may be acquired from the same video lottery terminal provider by one video lottery sales agent shall apply equally to all video lottery sales agents, and shall be set forth by the commission in a rule promulgated under division 3770:2 of the Administrative Code. All video lottery games offered through a video lottery terminal must be approved by the lottery prior to being offered for sale.
