

Ohio Administrative Code

Rule 3770:3-6-03 Lottery sports gaming equipment approval and testing.

Effective: May 20, 2024

(A) Type C sports gaming proprietors are not permitted to operate any Ohio lottery commission sports gaming equipment unless such equipment is approved by the director. All Ohio lottery commission sports gaming equipment must be evaluated by a certified independent testing laboratory prior to approval, unless otherwise approved by the director.

(B) When Ohio lottery commission sports gaming equipment is required to be tested by a certified independent testing laboratory, the type C sports gaming proprietor making the submission must adhere to the following:

(1) Submit a written request to a certified independent testing laboratory that, at a minimum, specifically references the scientific testing and technical evaluation necessary to determine compliance with Chapters 3770. and 3775. of the Revised Code and the rules adopted thereunder, as well as the applicable standards in the appendix to this rule, and identifies the sports gaming equipment at issue;

(2) Submit all necessary items and information to the certified independent testing laboratory;

(3) Pay all costs associated with the scientific testing and technical evaluation performed by the certified independent testing laboratory;

(4) Engage no more than one certified independent testing laboratory to perform scientific testing and technical evaluation of any particular version of sports gaming equipment software, hardware, or other technology without prior written authorization from the director; and

(5) Submit any items or information pertaining to the Ohio lottery commission sports gaming equipment to the director, if requested.

(C) The director may require previously approved Ohio lottery commission sports gaming

equipment to be evaluated or re-evaluated by a certified independent testing laboratory if it is determined that the equipment fails to meet any of the requirements of Chapters 3770. and 3775. of the Revised Code or the rules adopted thereunder or jeopardizes the integrity of sports gaming in any way.

(D) Sports gaming equipment tested by a certified independent testing laboratory will not be included in the Ohio lottery commission's database unless the director approves the test results.

(E) Sports gaming equipment software components deemed to be critical must be capable of verification utilizing a verification method approved by the director.
