

Ohio Administrative Code Rule 3772-10-04 Controlled demonstration.

Effective: February 28, 2022

(A) Each casino operator must train its licensed employees on agency 3772 of the Administrative Code and its internal controls and procedures. Each casino operator must perform at least one controlled demonstration of its ability to abide by the Administrative Code and follow its internal controls and procedures before the executive director may allow the casino facility to open to the public. If the casino operator does not pass the controlled demonstration, then the executive director may require additional controlled demonstrations.

(B) The controlled demonstration must:

(1) Be at a date, time, and duration set by the executive director;

(2) Use casino gaming equipment that has been approved by the commission in accordance with Chapters 3772-9 and 3772-11 of the Administrative Code;

(3) Use cash or other actual consideration for live casino gaming;

(4) Involve at least one casino gaming employee shift change;

(5) Involve all aspects of casino gaming;

(6) Involve dropping all or part of the casino gaming floor to ensure proper accounting and security procedures; and

(7) Meet any other requirements established by the executive director.

(C) The casino operator's share of the net win from the controlled demonstration must go to a charitable organization, as defined under section 1716.01 of the Revised Code.
