

Ohio Administrative Code Rule 3772-11-03 Table game supervision.

Effective: May 2, 2022

(A) Each casino operator must maintain staffing of table games supervisors or similar positions as approved by the executive director.

(B) The table games supervisors and the oversight of their assigned table games and pit operations must be directly supervised by either a table games manager or casino shift manager.

(C) The casino shift manager must assign table games managers specific responsibilities regarding activities associated with specific tables.
