

## Ohio Administrative Code

### Rule 3772-11-13 Table games inspection and maintenance.

Effective: May 2, 2022

---

(A) Each casino operator must establish the following procedures in the internal controls for inspecting and maintaining roulette wheels, big six wheels, and any other table game mechanisms:

- (1) Procedures for and personnel involved in inspecting and balancing wheels and other table game mechanisms before a table is opened for play;
- (2) Procedures for inspecting any roulette balls that may be played in that gaming day;
- (3) Procedures for assessing the randomness of game outcomes;
- (4) Logging of inspections and maintenance; and
- (5) A maintenance schedule for games with table game mechanisms.

(B) The casino operator must immediately notify the commission upon discovering that a roulette ball or wheel, or other table game mechanism's play was compromised.
