

## Ohio Administrative Code Rule 3772-11-15 Instructional table games.

Effective: [May 2, 2022](#)

---

(A) A casino operator may offer instructional table games if all of the following conditions are met:

- (1) Only canceled cards and dice are used;
- (2) Gaming chips used in the instructional table game are marked "no cash value" or are distinctively different from any value and non-value chips used in the casino facility and can be readily seen if intermingled into a stack of active chips of a similar color;
- (3) No wagering is permitted;
- (4) No prizes are awarded in association with the games; and
- (5) All participants are at least twenty-one years of age.

(B) Written notification setting forth the date, time, type of event, and event location must be submitted to the executive director in advance of the instructional game.
