

Ohio Administrative Code Rule 3772-11-20 Exchange of gaming chips.

Effective: [May 2, 2022](#)

- (A) Chips may only be issued to a patron and only at the request of that patron.

 - (B) Chips may only be issued at cashiers' cages, live table games, and any other location approved by the executive director.

 - (C) Chips may only be redeemed at cashiers' cages and any other location approved by the executive director.

 - (D) Chips must be redeemed for cash, digital currency, or check dated the day of the redemption, except when the chips were obtained or used unlawfully.

 - (E) Any casino operator may demand the redemption of its chips from any person in possession of them.

 - (F) If a casino operator allows for the exchange, redemption, use, or wagering of gaming chips from other casinos, the casino operator's internal controls must detail the procedure for the redemption or exchange, including the logging of the foreign chip exchanges.
