

Ohio Administrative Code Rule 3772-11-22 Destruction of gaming chips.

Effective: [May 2, 2022](#)

(A) Destruction of gaming chips must be approved by the executive director. A casino operator must notify the executive director of the proposed destruction at least seven days in advance and comply with any conditions imposed by the executive director. The notice must include the following:

- (1) The date on which and the location at which the destruction will be performed;
- (2) The denomination of the chips to be destroyed;
- (3) The number and amount of value chips to be destroyed;
- (4) The description and number of non-value chips to be destroyed; and
- (5) A detailed explanation of the method of destruction.

(B) The casino facility's surveillance staff and a commission gaming agent must be notified before the commencement of destruction.

(C) The destruction of chips must occur in a room monitored by surveillance for the duration of destruction, unless otherwise approved by the executive director.

(D) Unless otherwise authorized by the executive director, the destruction of chips must be carried out in the presence of at least three licensed employees, one from the cage department, one from the table games department, and the other one from the security department. The following information regarding destroyed chips must be recorded in the chip inventory ledger:

- (1) The denomination, number, and amount of value chips or, in the case of non-value chips, the description and number so destroyed;

- (2) The signatures of the licensed employees carrying out the destruction; and

- (3) The date and time the destruction took place.
