

Ohio Administrative Code

Rule 3772-11-26 Cancellation and destruction of cards and dice.

Effective: [May 2, 2022](#)

- (A) All cards and dice used in casino gaming must be canceled or destroyed. Cards and dice permanently removed from new inventory for any other reason must also be canceled or destroyed.
 - (B) The cancellation or destruction of cards and dice must take place in a secure location approved by the executive director, and must be performed in the presence of a member of the casino operator's security department.
 - (C) Surveillance must be notified before cards or dice are canceled or destroyed.
 - (D) If a flawed, marked, or suspicious card or die is identified, cancellation or destruction must be suspended and a gaming agent and the surveillance department must be notified.
 - (E) Cancellation of cards and dice must occur by drilling a circular hole of at least three-sixteenths of an inch in diameter through the center of each card or die, or by other methods as approved by the executive director.
 - (F) Destruction of cards or dice must occur by shredding.
 - (G) Card and dice inventory ledgers must be updated to reflect the cancellation or destruction.
