

Ohio Administrative Code

Rule 3772-14-03 Player against player contest progressive fund.

Effective: July 27, 2019

(A) Each casino operator may operate a player against player contest progressive fund. Progressive fund procedures shall be approved by the executive director and shall include:

- (1) How funds will be collected and counted daily by the casino count team in the count room; and
- (2) How the funds will be recorded, and where the funds will be held.

(B) The current balance of the progressive fund shall be prominently displayed in the room or area where contests are permitted and shall be updated each gaming day to reflect the amounts collected and distributed over the previous gaming day.
