

Ohio Administrative Code

Rule 3772-19-02 Responsibilities of the surveillance department.

Effective: [March 29, 2025](#)

- (A) Each casino operator must maintain and make available to the commission the following items:
- (1) An interactive electronic floor plan that shows the placement of all surveillance equipment in and around the casino facility and all gaming equipment on the gaming floor;
 - (2) A detailed description of all surveillance system components;
 - (3) The procedures utilized for operation of the casino surveillance department;
 - (4) Staffing plans;
 - (5) A list of personnel authorized to access the casino surveillance room;
 - (6) A list of persons or positions authorized by the director of surveillance to access the surveillance viewing room; and
 - (7) Any information related to the operation of the surveillance department as requested by the executive director.
- (B) The surveillance department must receive and monitor open-door alerts for all slot machines.
- (C) Surveillance system modifications and upgrades shall be submitted to the executive director for approval.
-
