

## Ohio Administrative Code

### Rule 3772-20-02 Security department staffing.

Effective: July 5, 2022

---

(A) Any person providing a casino operator with unarmed security services at the casino facility must:

- (1) Be an employee of the casino operator; and
- (2) Obtain and hold a valid key employee license or a casino gaming employee license.

(B) The casino operator must at all times maintain sufficient unarmed security officers on duty to ensure the safety of all persons in the casino as well as to meet the requirements of Chapter 3772. of the Revised Code and the rules adopted thereunder. The minimum number of on duty security officer staff specified in the security plan may be increased at the discretion of the executive director.

- (1) Casino operators must increase the staffing of security officers on duty to meet the demands of expected business activity, to ensure safety, and to ensure the integrity of casino gaming.
-
