

## Ohio Administrative Code Rule 3772-20-04 Security plan.

Effective: July 5, 2022

---

(A) Each casino operator must submit a security plan for approval by the commission at a meeting held under section 3772.02 of the Revised Code.

(B) A casino operator may not commence gaming operations until its security plan has been approved by the commission.

(C) To be approved, the security plan must include the following:

- (1) An organizational chart showing all positions in the security department;
  - (2) A description of the duties and responsibilities of each position shown on the organizational chart;
  - (3) The administrative and operational policies and procedures used in the security department;
  - (4) A description of the training required for security personnel;
  - (5) A description of the location of each permanent security station, if any;
  - (6) The location of each security detention area;
  - (7) Provisions for security staffing; and
  - (8) An emergency operations plan.
