

Ohio Administrative Code Rule 3772-20-05 Emergency operations plan.

Effective: July 5, 2022

(A) The casino operator must maintain an emergency operations plan, including evacuation procedures, to deal with the following at the casino facility:

- (1) The discovery or threat of an explosive device;
- (2) A fire or fire alarm;
- (3) A terrorist threat;
- (4) Severe storms or other acts of nature;
- (5) The threat or use of a firearm or any other weapon;
- (6) Any major civil disturbance or riot; and
- (7) Any other event for which the executive director determines that prior planning is necessary.

(B) The casino operator's emergency operations plan must have the safety of people at the casino facility as the first priority and must include, but not be limited to, a communication plan with local emergency responders, training for all its staff, and digital video recording procedures.

(C) The casino operator must ensure that commission staff at the facility are notified of any emergency at the time the emergency arises.
