

Ohio Administrative Code Rule 3772-20-06 Incident reports.

Effective: July 5, 2022

(A) The casino operator must ensure that a report is prepared regarding each of the following incidents when there are reasonable grounds to believe that they have occurred at the casino facility:

- (1) Injuries to a person at the casino facility;
- (2) Wagering or any attempt to wager by a person under the age of twenty-one;
- (3) Unescorted entry by a person under the age of twenty-one to an area where casino gaming is conducted;
- (4) The removal or detention of any person;
- (5) One or more violations of Chapter 3772. of the Revised Code or any rules adopted thereunder;
- (6) The presence of any person who is participating in a voluntary exclusion program pursuant to Chapter 3772-12 of the Administrative Code or who is on the involuntary exclusion list pursuant to Chapter 3772-23 of the Administrative Code;
- (7) Any other type of illegal conduct or activity; and
- (8) Any other type of incident for which the executive director requires reporting.

(B) The incident report must include the following:

- (1) A report number;
- (2) The date and time of the report;

- (3) The name and title of the person preparing the report;
 - (4) The date and time of the incident;
 - (5) The names of the security department personnel present during the event giving rise to the report or during the reporting of the event by non-security department personnel;
 - (6) The nature of the incident;
 - (7) The names and contact information of the persons involved, if available;
 - (8) The names and contact information of any witnesses, if available;
 - (9) Notation of any surveillance recordings, videos, or images accessed and maintained, if applicable; and
 - (10) The security department's action.
- (C) The commission must have continuous access to security incident reports.
