

Ohio Administrative Code Rule 3772-6-03 Gaming-related vendor fees.

Effective: January 3, 2022

(A) An applicant for an initial, new, or renewal gaming-related vendor license must pay a nonrefundable application fee of ten thousand dollars.

(B) The application fee for an initial, new, or renewal gaming-related vendor license may be increased to the extent that the cost of the background investigation relating to an applicant exceeds the application fee set forth in paragraph (A) of this rule. The executive director will advise the applicant in writing that an additional application fee is required and the amount of the additional fee that must be provided. Once an applicant is directed to submit an additional application fee, the commission will take no additional steps with respect to the application until the increased application fee is paid.

(C) Upon approval by the commission, an applicant for an initial, new, or renewal gaming-related vendor license must pay a nonrefundable license fee of fifteen thousand dollars.

(D) A gaming-related vendor must bear the costs of any investigation, including providing all information, documents, and materials requested by the commission at the gaming-related vendor's sole expense and cost.

(E) Unless otherwise approved by the executive director, all fees must be submitted to the commission in the form of an electronic funds transfer payable to the treasurer of the state of Ohio.
