

Ohio Administrative Code

Rule 3772-74-10.1 Initial internal procedure submissions.

Effective: September 3, 2019

(A) Applicants for a fantasy contest license who apply within thirty days of the effective date of this rule need not submit the internal procedures with that application, as required by rule 3772-74-10 of the Administrative Code, so long as the internal procedures are provided within ninety days of the effective date of this rule.

(B) No licensing determination shall be made until the applicant submits internal procedures.
