

Ohio Administrative Code Rule 3773-7-04 Judging and scoring.

Effective: June 16, 2006

(A) All bouts will be scored by three judges.

(B) The "Ten-Point Must System" will be the standard system of scoring a bout. The winner of the round will be awarded ten points and the loser of the round will be awarded nine points or less, except for the rare occasion of an even round, which is scored ten to ten.

(C) Judges shall judge mixed martial art techniques, such as effective striking, effective grappling, and control of the opponent, effective aggressiveness and defense.

(1) Effective striking is judged by determining the total number of legal heavy strikes landed.

(2) Effective grappling is judged by considering the amount of successful executions of a legal takedown and reversal. Factors to consider are take downs from the standing position to a mount position, passing the guard to the mount position, and bottom position fighters using an active threatening guard.

(3) Effective control is judged by determining who is dictating the pace, location and position of the bout. Factors to be considered are, countering a grappler's attempt at a takedown by remaining standing and legally striking; take down an opponent to force a ground fight; creating threatening submission attempts, passing the guard to achieve a mount, and creating striking opportunities.

(4) Effective aggressiveness means moving forward and landing legal strikes.

(5) Effective defense means avoiding being struck, take down or reversals while countering with offensive strikes.
