

Ohio Administrative Code

Rule 3775-16-13 Sports governing body data requests.

Effective: [October 15, 2022](#)

(A) A sports governing body may request anonymized sports gaming data from a sports gaming proprietor if the sports governing body believes that the integrity of one of its sporting events is in question. This request must be appropriately tailored and must include:

- (1) The name of the sports governing body;
- (2) The contact information of an individual who the sports gaming proprietor or commission may contact if additional information is needed;
- (3) The particular sporting event or events at issue;
- (4) The data requested, including the specific data types or fields;
- (5) A brief description of the reason for the sports governing body's belief and how the data requested will be of assistance;
- (6) Procedures for how the sports governing body will protect the confidentiality of the data; and
- (7) Any other information that may be requested on a specified form.

(B) Data provided under this rule must be anonymized and free of any patron personal information.

(C) Upon receipt of a valid request for data, a sports gaming proprietor must promptly provide the requested data. If the sports governing body and the sports gaming proprietor cannot come to an agreement on whether the request is valid, the request must be sent to the commission for review. The executive director will determine if the request is valid and will notify the sports governing body and sports gaming proprietor of this decision. If the executive director determines that the request is valid the sports gaming proprietor must promptly provide the requested data.

(D) Any information or data provided by a sports governing body or a sports gaming proprietor pursuant to this rule is confidential and is not to be shared or used for any reason or purpose not contained here, except as otherwise required by law or order of the commission, or pursuant to an agreement between a sports governing body and a sports gaming proprietor.
